<input type="checkbox"/> SAME AS ABOVE		

Care must be taken when ordering to ensure that the special HDNet software and configuration is loaded (HDNet specific decryption chip, etc.) To order, complete this form and fax it to WEGENER sales at the number below. If any email address is provided, order confirmation will be sent via email.

Delivery: Concerted effort is made to allow delivery to be 1-2 weeks after receipt of order. For planning, allow 4-6 weeks for delivery.

Receiver: This unit is an L-band in, encryption stripping, DVB-ASI out device that is network controlled. In HDNet applications, it is not a decoder. For information on an HD decoder, contact WEGENER sales.
